Selectmen's Meeting

PETITION TO BLOCK EASEMENT

Dorothy Harris of 25 Main Street and Wendi Ford of 37 Main Street, Mattapoisett reappeared at the Selectmen's meeting to add 151 signatures to a petition submitted the week before which contained 42. The two residents whose property adjoins the old

railroad right of way seek to overturn an Annual Town Meeting vote of 68 to 58 which authorized the Board of Selectmen to proceed to lay down terms and conditions under which the Board might negotiate an easement with two owners of Goodspeed Island. Mr. Daniel Mahoney, co-owner of Goodspeed Island, had petitioned Selectmen in early March through Attorney James Huntoon for a right-of-way to this property via the sewer right-of-way from Depot Street. At that time Selectmen told Huntoon that they would have to check the legal points involved before they could consider the petition. Huntoon asked that it be placed in the warrant and that should

dent, was allowed by vote to address the town meeting. He outlined his proposal. He said that he and co-owner Neilson Abeel planned to build two homes on the "island" with a future possibility of a total of 4 homes for the use of the two co-owners and their children. He asked access to the property for vehicles going to and from these homes. He said that land adjoining the pond on the north he would deed for conservation purposes. The sewer right-of-way owned by the town would continue to be used by the townspeople in any way they choose as walkway, bike path, etc. The right-of-way is open only to walkers, bikes and town vehicles which service the pumping station.

Townspeople questioned Mr. Mahoney as to access to the beach of Goodspeed Island. He replied that anyone has access below mean high water. No serious objection was made by anyone present at the town meeting. A favorable vote authorized the Selectmen to proceed to make conditions which would allow an easement if they considered it in the best interest of the town under specifications which protect the town from liability or obligation.

nal petition. At that time, Chairman of the Board of Selectmen R. William Blasdale told them that no easement had been given but that Article 44 authorized the Selectmen to consider an easement and act in the town's behalf.

The Selectmen assured the Harrises and Mrs. Ford that they would be notified so they could be present at any future meeting on this subject. Engineer Ron Michalski, consulting engineer of Tighe & Bond, present at the meeting, was asked about possible damage to forced main sewer lines by vehicular traffic. He said that the pipe is a minimum of 4 1/2 feet under the sur-

face and that passenger cars would have no effect. He said that there was a remote possibility of a very heavy non-tracked vehicle causing damage. Mrs. Ford, as spokesman for the petitioners, said that her group is concerned over increased motor traffic over the right-of-way and the effect it will have on the environment. She said that the area is a wildlife and wetland site highly valued by nature walkers and bicyclists and that petitioners fear that increased motor traffic and noise would spoil the area. Mrs. Harris and Mrs. Ford said they are confident that they can gather enough signatures to require a Special

BAY CORPORATION SUIT

Selectmen received a summons resulting from a law suit by the sewer contractor, Bay Corporation of Boston. tion defects with improper elevation and pitch requiring repair and there is a depression in a main collector sewer on Main Street presently under investigation by Tighe & Bond engineers. Selectmen turned the matter over to town counsel, Donald Fleming. PUMPING STATION DISCUSSED

Selectmen discussed the work still not complete at the Mattapoisett Sewer Pumping Station with consulting engineer Ron Michalski of Tighe & Bond. He said that a technician from Robert Shaw of California had worked on the flow recorder and had drastically reduced the range so that the equipment is now metering the flow of sewage. He said that it had gone out of calibration once or twice but that it is operational. Water and Sewer Superintendent Charles Morgan said that the PC Board had been damaged from moisture but he was sure it and the flow recorder would work properly when it could be replaced. There is a problem in that Mattapoisett is prepared to telemeter data from the recorder to Fairhaven but Fairhaven has no receiving equipment. Fairhaven is in-

terpreting the contract to mean that Mattapoisett should install receiving equipment at Fairhaven. This problem is yet to be resolved. In the interim Mattapoisett is delivering recorded flow charts to Fairhaven. According to Michalski the remaining work at the pumping station is mostly plumbing contract work and he expects it to be completed very soon.

ROUTE 6 RESURFACING

Selectman John DeCosta attended the April 23 meeting at Wareham Town Hall as representative of Mattapoisett. This meeting was arranged by Rep. William MacLean to allow airing of complaints by local residents and to hear State explanation of the plans for Route 6 from Mattapoisett to Wareham.

Route 6 is badly in need of resurfacing according to Vito Cassese, District Highway Engineer. He stated that his highway crews are making constant repairs. He said that to surface the road, as presently laid out with 4-11 foot lane, would require State funds. If done with Federal funds, the road would have to be relined for two 12 foot lanes and 2 10 foot breakdown lanes. Of the 15 million dollar bond issue Massachusetts has floated to resurface roads, this area would receive about 9% of 1.5 million dollars. Selectman DeCosta reports that Mr. Cassese said that so many projects are pending that federal funds are almost certainly required. It will cost \$600,000 in Marion and another \$600,000 in Mattapoisett to resurface Route 6. In addition a sidewalk on the north side of Route 6 from North Street to the high school is planned at a cost of \$18,000. According to Mr. Cassese no plans are contemplated to widen this road because of the cost factor. He claims that traffic is half that of 1971 when the road carried 18,000 cars daily so that a 4 lane road is not needed. According to Cassese a two lane road is safer and makes driveways more assessable.

Mr. DeCosta said that the Marion Town Meeting will poll voters on the 2 lane traffic. No road work is expected to be done before next Spring.

Anyone searching for a kind word to describe the Jimmy Carter performance in military, economic, domestic and world affairs would have to come up with consistent. Now that the rescue operation is finished, on to the tax on imported crude oil and the matching 10¢ a gallon hike at the pumps. That should jazz up U.S. inflation figures.

get cuts. President Carter's planned elimination of 1.7 billion dollars nationwide means elimination of 36 million dollars to Massachusetts under the Revenue Sharing Program. Since Massachusetts uses much of this money to aid State mandated programs particularly in the school system, this will have a serious impact on local financing since it will have to be made up from the general tax fund. A slowdown of funding of E.P.A. grants for water and sewer construction will be another locally felt effect from Federal cuts. Fifty thousand C.E.T.A. jobs will have to be eliminated, 5,000 of those in Massachusetts. Mattapoisett will feel very little impact as compared to other towns which have large CETA work crews. There will be a slowdown in Federal Transit funds. There will be a loss of 5 billion dollars, nationwide, to cities and towns. According to Mr. DeCosta, Governor King, along with President Carter, assigns very

low priority to stabilization of property taxes. King's budget provides only a 1% increase over last year in new local aid, a sum of 1.4 million dollars throughout the State. He says "Due to State mandates, the tiny amount of new local aid will do little to help hold down homeowners' property taxes."

According to information available from Washington, the elimination of the State's share of Revenue Sharing is in the offing. This will be compounded by a 9% pay hike in the new State workers' contract. No money is in the current proposed State budget to fund the pay raises, explains DeCosta.

There is also a tremendous gap between the 27 million dollar cost of the Massachusetts Court system of 14 counties and Governor King's proposed budget allocation of 5.2 million dollars. This budget recommendation for Plymouth County is \$488,271.00. The actual cost is \$718,125.00. The difference will have to be made up by the county which will assess the towns.

According to Selectman DeCosta, Massachusetts is estimating a \$300 million increase in revenue from sales, income, corporate and meals taxes. The Massachusetts Selectmen's Association is urging the legislature to share that increase with lo-

Letter to the Editor

As an elected town official I find it neces-
sary to periodically reflect on the form of
government which I have sworn to uphold,
and the brilliant philosophy of the founders
of our Constitution who toiled to make our
Republic a reality.

In view of the recent vote of Town Meet-

whether the ORR School Committee members
will or will not sue the townspeople who
elected them, I would request that my col-

view the words of Thomas Jefferson who
said: "Men are naturally divided by tem-

fear and distrust ordinary people, and
want to concentrate power in the hands
of a small elite - and those who trust and
cherish ordinary people, and think of
them as the safest, if not always the

TEXTILE EXHIBIT AND PROGRAM

The Sippican Historical Society is planning a program on May 13th in honor of Mrs. Shiela Betterton of the American Museum in Britain, located in Bath, England. Mrs. Betterton is their textile specialist and will be in this country in April and May.

The afternoon program will be an "instant" exhibit of textiles, a talk by Mrs. Betterton, and refreshments. The speaker will share her knowledge of early American fabrics and tell us about her Museum in England. Mrs. Betterton has written American Textiles and Needlework, The American Quilt Tradition, and Quilts and Coverlets from the American Museum in Britain. Auto-graphed copies will be on sale.

This is the second lecture tour sponsored by the American Museum that Mrs. Betterton has made to our country.

The program, from 1:00 to 4:00 p.m., will be held at the Congregational Community Building. Those organizations and individuals who plan to have exhibits may arrive at 10:30.

Among the exhibitors will be the Merrimack Valley Textile Museum and historical societies from Nantucket, New Bedford, Mattapoisett, Wareham, Middleboro, Pembroke, Plymouth, and Cape Cod. The Sippican Historical Society rooms, which are nearby, will also be open. Afternoon refreshments will be served; all are welcome, and there is no admission charge.

It promises to be a fine day with the opportunity to meet Mrs. Betterton and members of other historical groups and to see examples of a wide range of items. We do hope you can plan to be with us.

Council on Aging

In this issue of Presto Press Mattapoisett Seniors will find both the May schedule of Minibus trips and the revised guidelines that we will go by to give the best possible service to Seniors and still not waste gasoline needlessly. Please cut these ads out

Our Minibus can take 13 passengers (14 in a pinch), besides the driver. It seems a shame that we have had to cancel some planned trips because we did not have eight reservations. You will note that the new guidelines call for cancellation of a trip if we do not have at least 8 reservations two days before the trip is scheduled. This change has been made to avoid last minute notification of cancellation of a trip, and the consequent disappointment and frustra-

tion after Seniors have in some cases even got out to the parking lot waiting for the Minibus. We also hope that Seniors who wait until the last minute to change their minds will cooperate and notify us ahead of time.

By agreement with the Finance Committee and the Selectmen we took a cut in our budget in order to get a new Minibus. Consequently, we have been unable to schedule any big bus trips this year, with the exception of the one trip made when our old Minibus went out of commission and we were waiting for the new one. Beginning in July, when our new fiscal year starts, we hope to be able to schedule big buses periodically. With the price of gas way up, we hope to be able to finish this year without going in the red.

CHRISTIAN CHURCH MEETINGHOUSE SERVICE

Sunday, May 4, at 4 p.m. the semi-annual service will be held in the old Christian Church Meetinghouse (home of the Mattapoissett Historical Society). The Rev. Nehemiah Boynton, III of South Dartmouth will conduct the service and deliver the homily. Everyone is cordially invited.

The historic meetinghouse and its philanthropies are sustained by funds left in the will of Edward F. Faunce, grandson of the Rev. William Faunce, minister of the church 1864-1898. The meetinghouse and its resources are "to be used for religious, educational, scientific, and historical purposes of and for the Mattapoissett community".

EXPANSION OF PROJECT S.A.F.E.

The need for self-education by older Americans regarding the mixing of prescription and over-the-counter drugs and alcohol is an area of concern among professionals involved in improving the health of this rapidly growing group. With this in mind, Project S.A.F.E. (Substance Awareness for the Elderly) was initiated in February, 1980, servicing the towns of Mattapoisett, Marion and Rochester.

This program will expand into the greater New Bedford Area in May, following an intensive two-week training period for staff

and project volunteers. This in-service training will be presented at the Marion Center for Human Services and is funded by grants from Coastline Elderly Services, the New Bedford Consortium, and the Polaroid Foundation. The effect of prescription drugs, over-the-counter drugs and alcohol on the normal changes of aging will be discussed and studied. Sessions will be conducted by a physician, social worker, registered nurse, nutritionist, and other professionals, and will be limited to regular staff and project volunteers.

Much of the education and outreach of this critical program must be done by volunteers. The Marion Center for Human Services considers volunteers very important people and takes particular care to match each volunteer with his/her interest area or area of expertise. Volunteers are also encouraged to increase their knowledge and expand their personal horizons. Anyone wishing to offer his/her services as a volunteer, please contact the Marion Center for Human Services, telephone 748-2850 or 748-2851 by Friday, May 2.

MUSKATEER THEATRE TROUPE

The Muskateer Theatre Troupe will enthusiastically present a children's play, "Wishes, Hopes and Dreams", Friday, May 9, at 10 a.m. and Saturday, May 10, at 2 p.m. at Massasoit Community College's Fine Arts Theatre.

The play, which is for children, is performed by 40 youngsters from the Greater Brockton area. Also, a group of 20 Massasoit students join the children during two production numbers.

The theatre group, which began in November, was developed by Naomi Louison and Laura Yellen to afford children the opportunity to creatively express themselves. Through the financial support of the David Jon Louison Foundation, the Muskateer Theatre Troupe was able to plan its first production. This play has been a grant experiment and because of the favorable re-

Tobey Hospital

FUTURE NURSES HONORED

Twenty young ladies from four area high schools were honored at a candlelighting ceremony Wednesday, April 23, at the Tobey Homestead. As members of Tobey Hospital's Future Nurses Program, the students contributed a minimum of thirty hours in ser-

vice to the hospital during the current school year. Those new to the program received caps; those in the program for the second or third year received pins.

Mrs. William E.C. Warr, Jr., Director of Volunteers, was coordinator of the program. Mrs. Arthur Lionberger and members of the Tobey Hospital nursing staff were the instructors.

The capping ceremony was led by Mrs. Rachel Penti, Director of Nursing Services. Mrs. Laura Lopes, LPN, of Tobey's nursing staff, was the featured speaker.

Among those receiving awards were: from Old Rochester Regional High School, Debbie Brewster, De-Anne Campos, Christine Carvalho, Debby Gayoski, Deborah Holden, Debra Ann Perry, Kate Pierce, Lorri Smith, Terri Sylvester, Jo-Anna Winters.

VOLUNTEER CEREMONY AT TOBEY

Mrs. William E.C. Warr, Jr., Director of Volunteers, announced that a total of 9656 hours of service was provided to Tobey Hospital by 86 adult volunteers during the past year. From this group, thirty-six donated a minimum of fifty hours and were recognized at the annual volunteer ceremony on Thursday, April 17, at the Tobey Homestead.

Naber, a 24-year old native of Evanston, Illinois, received his bachelor's of science degree in psychology from the University of Southern California. A prolific speaker, he has appeared on such programs as Good Morning America, The Mike Douglas Show, Hollywood Squares, ABC's Wide World of Sports, and Challenge of the Sexes.

In the 1976 Olympics, Naber captured four gold medals and one bronze in swimming, the most medals won by any American at the Montreal games. He set world records in both backstroke events and was a member of the two United States record-breaking relay teams.

Naber was also winner of 25 National AAU titles, recipient of the prestigious James E. Sullivan Award as top amateur athlete for 1977, holder of Most Career NCAA individual swimming titles (10), and was college All-American at USC for four consecutive years.

Presently, Naber is a marketing representative for Walt Disney Productions and a color commentator for NBC sports programs. He is also a columnist for Swim-

INVITATION-PARENTS 4th GRADE STUDENTS

Parents of 4th grade students at Sippican School, Marion; Old Hammondtown School, Mattapoisett; and Memorial School, Rochester are invited to a Project L.I.F.T. meeting Thursday, May 8, at 7:30 p.m. at the Old Rochester Regional Junior High School. The evening's program will include a slide presentation and discussion of the L.I.F.T. program as it has progressed during the year and an explanation of the identification of children for school year 1980-81.

Project L.I.F.T., Massachusetts School Superintendency Union 55's program for gifted and talented children, presently includes one 5th grade classroom in each of the Marion, Mattapoisett and Rochester schools. This spring, children will be identified for expansion of the program to one fifth and one sixth grade Project L.I.F.T. classroom in the three towns for next year. Mackensen, soprano; and Steven Massoud, piano. The program is comprised of works written by the 19th century Viennese composer, Franz Schubert, including the Introduction and Variations "Ihr Blumlein alle", Op. 160 for flute and piano; the Piano Sonata in B-flat Major, D. 960; the Fantasie for Piano Four-hands in f minor, Op. 103, The Shepherd on the Rock for voice, clarinet and piano; and Standchen von Shakespeare and Erlkonig by Schubert-Liszt.

Kerry Carlin joined the music faculty of SMU in 1978. He previously taught at the New School for Music Study in Princeton, New Jersey, and at Indiana University. He holds degrees from the Cleveland Institute of Music and the Indiana University School of Music and has performed solo recitals in the U.S. and Europe. His teachers include Gyorgy Sebok, Jorge Bolet, Robert Goldsand and Marion Hall.

The performance is free and open to the public.

The show is the second in a special commemorative series spotlighting works by major artists from the six states where Ocean Spray, sponsor of the admission-free museum, has grower-members. Exhibiting their work will be a trio of the ranking photographic artists currently residing in the Indian River area.

Best-known of the group is Lowber Tiers now generally regarded as one of the nation's most distinguished art photographers. Her evocative works have hung in many important galleries across the country and appeared in such prestigious publications as Time, Life, The National Geographic, and The New York Sunday Times Magazine.

Equally gifted is the second woman in the group show, Grace Derasavage, who has exhibited in leading U.S. and Canadian galleries and won dozens of coveted awards. Her photographs, devoted exclusively to nature themes and seascapes, are included in many major private collections. Ms. Derasavage is also widely-known as a photographic illustrator of books and spe-

cial publications.

in the show; divides his time between cuisine and cameras since he is also a well-known chef in the area. Deciding early in his photographic career to concentrate on wild life, he quickly earned a reputation as one of the best nature photographers in the Southeast. He has won many awards for his sensitive views of Indian River fauna highlighted by a first prize in a major national competition sponsored by Kodak.

The May show at the "Cranberry Gallery" is part of an expanded program of cultural events at Cranberry World this year to help mark the 50th anniversary of the Ocean Spray cooperative. The "Anniversary Festival of Music and the Arts" will continue through the season with major new art exhibitions every month and Sunday afternoon musical events commencing in mid-June.

After viewing the striking photography

show, Cranberry World visitors can enjoy the other exhibits chronicling the social and agricultural history of the cranberry from pre-colonial days to the present. Elaborate displays include period and contemporary artifacts, photo montages, audio-visual presentations, a diorama of an authentic cranberry farm, and three cranberry mini-bogs that surround the building.

Cranberry World also offers visitors free cranberry recipes and refreshments, souvenir pins, and daily cooking demonstrations. The museum, located on the waterfront in Plymouth less than a quarter-of-a-mile from Plymouth Rock and Mayflower II, is open daily from 10 a.m. to 5 p.m. A typical tour of the various exhibits takes approximately 30 minutes.

REVISED GUIDELINES FOR BUS TRIPS

These guidelines are listed to conserve gasoline and cost of operations and also to conduct all trips for the equal benefit of all passengers. It is the desire of the Council on Aging to make the tours as pleasant and interesting as possible. Any suggestions regarding tours will be welcomed by tour chairman, Harold E. Roeder. All calls for reservations must be made to Council on Aging Office, 758-3758, Monday through Friday, 9:00 a.m. to 12:00 noon.

1. Minimum trip, 8 persons. If fewer than 8 reservations two days before trip, it will be cancelled.
2. Where designated luncheons are included in the tour, reservations must be kept. There will be no deviation from the luncheon location.
3. No passenger will be picked up unless previous arrangements have been made at Council on Aging Office or they are on route of bus and they are ready to leave at arrival of bus. No waiting.
4. No reservations of seats. First come, first served.
5. In order to make trips more comfortable for passengers exchange of seats will be made on the return trip. Front will exchange with rear. All others will move up one seat.
6. All tours will be conducted as a group. No one will separate from group. All will lunch together and tour points of interest together.
7. All tours will be planned. Special visits to points of interest and lunches will be arranged and reservations made.
8. When weather is questionable, trips will be cancelled unless a large bus is scheduled and no cancellation is permitted.
9. Council feels that where there are only 13 seats in the bus, requests of Seniors who rarely get a chance to go on a trip will have preference over regular trip participants.

TRIPS CAN ONLY BE RESERVED ONE WEEK IN ADVANCE.

Greater N. B. Choral

The Greater New Bedford Choral Society's performance of Carl Orff's *Carmina Burma* will be the group's most creative and dramatic performance. Sponsored by Southeastern Massachusetts University's Music Department, the concert will be held in the main auditorium at SMU on Sunday, May 18, at 3:00 p.m. The concert will be a staged performance which will include visual illumination in conjunction with the music. The 50-member chorus will be assisted by five percussionists playing a total of twenty instruments, two grand pianos, soloists, and a small children's chorus. Visual ef-

TROUBLE-FREE, WILL NOT CRACK, PEEL, BLISTER

For those planning to build or remodel soon, the hour of decision is approaching. Will it be stain or paint for your home? Think it over carefully, for a building once painted can never be stained . . . and the unique beauty, economy and protection that stains provide may be last forever. Today the trend is toward stains.

- Economical, easy to apply and maintain.
- Surfaces need no scraping, sanding, priming.
- Penetrate deeply, protecting wood fibers.
- Enhance the beauty of the grain.
- 87 shades; unique color effects.
